Waiver and Release Statements – in consideration of being permitted to have my dog attend Scoobydooz:		INITIALS	
<p>Daycare Waiver</p> <p>I agree that when my pet attends Scoobydooz that I have read and understood the following risks involved. Whilst I understand that all care and effort will be taken to prevent injuries and whilst injuries rarely occur, injuries that may occur throughout the daycare day or grooming day could be, but are not limited to:</p> <ul style="list-style-type: none"> • Minor and Major dog scratches • Minor and major dog bites • Broken Limbs • Torn Ligaments • Canine cough • Foot infections and sore pads • Worn down nails • Muscle sprains • Canine infectious diseases <p>Whilst it is understood that the daycare staff will exercise caution and their duty of care during the day, and that careful assessments are made on every dog that attends daycare, I am aware that due to the nature of the environment, my pet may be injured and that no amount of supervision, sanitation or cleanliness could prevent an airborne illness such as canine cough from spreading.</p>			
<p>Grooming Waiver</p> <p>I am aware that should my pet be presented for grooming in a “matted” or otherwise anomalous condition and/or my pet is excitable or aggressive during the grooming process that I have read and understand the following:</p> <ul style="list-style-type: none"> • The groomer will exercise caution and their duty of care during the grooming process, however I am aware that due to the environment, its condition or temperament, my pet may be cut or grazed. • The groomer will not de-matt my dog in line with its no-de-matting policy and will clip my pet as is necessary (in their opinion) to remove the matted coat • The Groomer may muzzle my dog or use grooming restraints in the interest of safety for my dog and the grooming staff should it be excitable or aggressive. • If the dog is presented in a matted condition I give the groomer permission to make the decision to shave the matting out whether that be a small part or the whole of the dog. (see additional fees below) 			
<p>General agreements</p> <p>I authorise Scoobydooz to attend a vet of their own choosing to seek veterinary attention for my dog should an undesirable incident occur or they suspect my dog of being ill and in need of immediate veterinary attention.</p> <p>I agree that my dog is on a regular flea, worm and tick prevention treatment and therefore should not have fleas, nor be able to pick up fleas from other dogs at Scoobydooz.. I understand what capstar is and I agree for my dog to be administered one at a cost to me should fleas be present on my dog. I understand all dogs being administered Capstar are monitored for any adverse reaction</p>			
<p>Additional Fees</p> <p>I understand that Scoobydooz closes at 7:00pm sharp, and should I be late the following charges may apply: 1-15 minutes = \$15 / 15-30 minutes = \$40 / Late fee over 30 minutes = \$80 or see below Should I be later than 30 minutes, or I am unable to make arrangements for my dog to be picked up within the time, my dog may be boarded overnight at a fixed cost of \$100 or taken to Collaroy Pound facility</p> <p>I agree that should my dog be matted, over dirty, flea infested or difficult to groom I will be charged \$10 per extra 15 minutes needed to groom my dog.</p>			
<p>I have read all of the statements above as proved by my signature or initials and understand all of the risks involved in my dog attending Scoobydooz. I do not and will not hold any of the staff or the business responsible for any incidents that occur or deem them liable for the veterinary costs that may be incurred. I understand I will be responsible for all veterinary costs to do with my dog in the event of an accident, illness or injury or should my dog cause injury to any other dog within the facility</p>
