

Our pick up and drop off service is operated by a dedicated pet taxi service called Dogspeed. To make a booking on the Scruffy's School Bus please contact Jane directly on **0466 954 711** or email bookings@dogspeed.com.au.

Fees are payable directly to Dogspeed in advance by electronic transfer or credit card via Paypal or on the day in cash. Discounted pre-paid passes are also available for purchase in advance.

Your dog will be picked up between 6.30am and 9.30am and dropped off between 4.30pm and 7.30pm. If you won't be there at these times, your dog can be collected from the yard or if you provide a key, inside the house or unit. If you need your dog to be collected or dropped at or before/ after a particular time, this will be accommodated where possible but will incur an additional fee.
